**Oggetto:** trip to Brixen

Dear Colleague,

below you find some links which could be useful to plan your trip to Brixen in occasion of the workshop on "Commutative Rings and their Modules", September 17-20, 2007.

Best regards,

Luigi Salce and Paolo Zanardo

Bressanone (Brixen)

Bressanone is a very pleasant site at about 40 kilometers North of Bolzano (560 meters a.s.l.). See the Bressanone home page: <http://www.brixen.org/>.

Bressanone is placed on the railway line Verona-Innsbruck-Munich.

For foreign participants, it may be convenient to take a flight directed to one of the following airports.

Verona, about 190 km from Bressanone.

The airport Valerio Catullo (see the airport home page: <http://www.aeroporto.verona.it/>) of Verona-Villafranca is located at about ten kilometers from the center of Verona, about twenty minutes by bus or taxi from the railway station of Verona Porta Nuova. A bus service is scheduled every twenty minutes (tel. 045-8057911): you can buy your ticket on the bus (the price is 4,50 €).

Taxi services: Radio Taxi Catullo (tel. 045-9815997), Radio taxi Verona (tel. 045-532666), Taxi Auto Blu (tel. 045-8582035).

Munich, about 260 km from Bressanone.

See the Munich airport home page: <http://www.munich-airport.de/EN/>

Milano, about 330 km from Bressanone.

See the Milano airports home page: <http://www.sea-aeroporto.milano.it/it/>

Venezia, about 310 km from Bressanone.

See the Venezia airport home page:

<http://www.veniceairport.it/>

To arrange your schedule, you may check the Italian railways timetable:

<http://www.ferroviedellostato.it/>
